PETITION TO CANCEL REGISTRATION

Geoffrey, LLC, a Delaware limited liability company, whose business address is One Geoffrey Way, Wayne, New Jersey 07470 (hereinafter "Petitioner") believes that it is or will be damaged by Registration No. 4,550,100 and hereby petitions to

cancel the same under the provision of Section 14 of the Trademark Act of July 5, 1946, as amended, 15 U.S.C. § 1064.

As grounds of this Petition, it is alleged that:

PETITIONER'S EXCLUSIVE RIGHTS

1. Petitioner, through its predecessors and related companies, has engaged in the marketing and sale of a wide variety of various products, including but not limited to, skin and hair care products, health and beauty aids, toys, games, novelties, baby products, furniture, clothing, light fixtures, audio and visual products, fitness and sporting goods, school supplies, art supplies, science and other educational goods and equipment, safety products, electronics and technology related goods, digital media, musical instruments, food, beverages, eating and drinking utensils and apparatus, bedding and linens, home decor, medicine, first aid products, diapers, laundry products, party supplies, costumes, paper products, gift cards and various retail, credit card, gift registry and party planning services (the "Goods and Services") under the marks TOYS R US, BABIES R US, R US, "R" and "Я" ("the TOYS "R" US Marks"), both with and without quotation marks, alone and with other terms.

2. Petitioner has made continuous and extensive use of its distinctive TOYS "R" US Marks, which use has developed widespread public recognition and appeal since at least as early as 1960. Petitioner is the world's biggest toy store and baby and children's products retailer, leading the industry with billions of dollars in sales annually. Petitioner owns and operates over 1600 stores using its R Us family of brands, and currently sells merchandise in more than 870 stores nationwide, including Toys "R" Us and Babies "R" Us stores, and more than 600 international stores and 125 licensed stores in 35 countries and jurisdictions.

3. Petitioner also provides shoppers with a broad online selection of products through its branded e-commerce websites; hosts interactive pages on a variety of social media websites; hosts an online weblog (or "blog") promoting deals and discounts at its stores and web properties; and sponsors branded mobile applications to allow consumers to shop and access information about toys and other products sold by Petitioner virtually anywhere.

4. Petitioner is the exclusive owner of all rights, title and interest in and to the TOYS "R" US Marks and common law rights therein in connection with the Goods and Services, and is

the owner of United States Registrations and International Registrations for the TOYS "R" US Marks, which provide protection in the United States for the same, including without limitation, TOYS "R" US, U.S. Reg. No. 902,125, and many other registrations. See printouts from the United States Patent and Trademark Office database attached as Exhibit A of many trademark and service mark registrations owned by Petitioner.

5. As a result of Petitioner's long and extensive promotion, marketing and use of various TOYS R US, R US, "R" and "Я" marks, both with and without quotation marks, including the advertising and promotion of third party products sold by Petitioner, Petitioner has established and owns a family of R US marks (hereinafter, the "R US Family of Marks").

6. Petitioner's R US Family of Marks has been recognized by courts and other judicial and administrative bodies as a famous family of trademarks known to consumers. J. Thomas McCarthy, a leading scholar and expert on trademark law, recognizes the R US Family of Marks among a select group of famous trademark families in his well-known treatise on trademark law. See J. Thomas McCarthy, McCarthy of Trademarks and Unfair Competition, 4th Edition §23.61, pg. 23-302.

7. Federal courts, arbitration panels and the TTAB have regularly held that the use of any other mark containing a prefix in connection with the R US mark violates TRU's rights in its R US Family of Marks. Most recently, for example, a Federal court permanently enjoined another company's use of SMOKES R US, recognizing Petitioner's R US Family of Marks as a "famous and inherently distinctive ... global superbrand." In so doing, the court recognized Petitioner's "exclusive right to use the R US Family of Marks in commerce in the United States." See Toys "R" Us, Inc., et al v. Smokes R Us of Pa Corp., et al, Case No. 11-cv-00820 (M.D. Pa. June 2011).

8. The fame of Petitioner's R US Family of Marks is also reflected in market rankings. In 2011, Interbrand named Toys "R" Us one of the most valuable U.S. retail brands. Deloitte also named Toys "R" Us as one of 2011's top "Global Powers of Retailing."

9. Petitioner's registrations are valid and subsisting and are conclusive evidence of Petitioner's exclusive right to use the TOYS "R" US Marks in commerce for the Goods and Services, including goods and services within its zone of natural expansion.

10. Through extensive and continuous use of the TOYS "R" US Marks, the TOYS "R" US Marks have acquired substantial goodwill in connection with the Goods and Services.

11. Petitioner's extensive marketing, promotion and use of the TOYS "R" US Marks has caused customers, prospective purchasers, and the public generally to immediately associate the TOYS "R" US Marks with Petitioner and to expect a wide variety of toys and related goods and services bearing the TOYS "R" US Marks to have a connection with, or association with, Petitioner.

PETITIONER IS THE SENIOR USER OF THE MARK

12. Petitioner has made continuous and extensive use of its distinctive TOYS "R" US Marks, which use has developed widespread public recognition and appeal since at least as early as 1960.

13. Upon information and belief, Registrant first used the mark that is the subject of U.S. Registration No. 4,550,100 in interstate commerce on December 15, 2012 in connection with "Providing a searchable on-line advertising website featuring the services of other vendors via the Internet, namely, featuring services of medical marijuana dispensaries in order to connect them with patients who are searching for their

services."

14. Upon information and belief, Registrant's right to use the mark that is the subject of U.S. Registration No. 4,550,100 has not become incontestable in accordance with Section 15 of the Trademark Act of July 5, 1946, as amended, 15 U.S.C. § 1065.

15. Upon information and belief, Petitioner used its TOYS "R" US Marks in connection with its goods and services identified above, prior to any use by Registrant of U.S. Registration No. 4,550,100 in connection with the services identified in said registration.

16. Upon information and belief, based upon its use of its TOYS "R" US Marks since at least as early as 1960, Petitioner's rights in its TOYS "R" US Marks as used in connection with its identified goods and services are superior to Registrant's rights in U.S. Registration No. 4,550,100.

**REGISTRANT'S MARK IS LIKELY TO CAUSE CONFUSION
AS TO SOURCE, ORIGIN, SPONSORSHIP, OR AFFILIATION**

17. In view of the similarity in overall commercial impression of the respective marks and Petitioner's priority as to use of the mark, Petitioner alleges that Registrant's mark BUDZRUIZ so resembles Petitioner's R US Family of Marks as to be likely to cause confusion, or mistake, or to deceive under

Trademark Act Sections 2(d) and 43(a), 15 U.S.C. Sections 1052(d) and 1125(a), and will cause damage to Petitioner and its goodwill represented by its prior-used marks.

18. In addition, Petitioner's rights and fame in its R US Family of Marks, including those based on its extensive use, registrations and public recognition, were established long before Registrant's alleged date of first use, December 15, 2012, of the mark BUDZRUIZ. Thus, granting registration to Registrant would diminish and dilute the distinctive quality of Petitioner's rights in its famous R US Family of Marks in violation of Trademark Act Section 43(c), 15 U.S.C. Section 1125(c), and could also in the event of any mishaps involving, or poor quality of, the goods and services offered by Registrant, tarnish such distinctiveness.

**REGISTRANT'S MARK IS LIKELY TO DILUTE THE DISTINCTIVE
QUALITY OF PETITIONER'S FAMOUS MARKS**

19. At all times prior to both Registrant's application to register Registrant's Mark and any use of Registrant's Mark by Registrant, Petitioner's TOYS R US Marks were distinctive and had already become famous.

20. The fame and high degree of recognition afforded to the TOYS R US Marks is evident in the significant duration,

extent and geographic reach of advertising and publicity bearing the marks; widespread and extraordinary sales of the Goods and Services bearing the TOYS R US Marks; widespread recognition of the TOYS R US Marks among the general consuming public; and the registrations of the TOYS R US Marks accorded on the Principal Register.

21. That Registrant's Mark is likely to cause dilution by blurring is evident in the high degree of similarity between Registrant's Mark and the TOYS R US Marks; the high degree of inherent and acquired distinctiveness of the TOYS R US Marks; the substantially exclusive use of the TOYS R US Marks on the Goods and Services; the extraordinary degree of recognition accorded to the TOYS R US Marks by the general consuming public; the apparent intent of Registrant to create an association with the TOYS R US Marks; and any actual association between Registrant's Mark and the TOYS R US Marks that would be established during discovery.

22. The use and registration of Registrant's Mark to identify its services, after the TOYS R US Marks had become famous, is therefore likely to cause dilution by blurring or dilution by tarnishment of the TOYS R US Marks, regardless of the presence or absence of actual or likely confusion,

competition, or of actual economic injury, and will injure
Petitioner.

For the reasons set forth in the foregoing paragraphs one
through twenty-six, Petitioner believes that it is or will be
damaged by the continued registration of Registrant's Mark, and
thus Registrant's registration should be canceled.

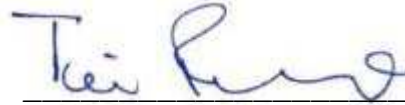

WHEREFORE, Petitioner prays that Registration No. 4,550,100
be canceled and that this Petition for Cancellation be sustained
in favor of Petitioner.

Respectfully submitted,

GEOFFREY, LLC
